

# LEADING A LEGENDARY LIFE SUPPLY LIST

---

## **SURFACES**

30X40 canvas - preferably the "Gallery Profile" style (inch and a half on the sides). Plus an assortment of canvases to experiment on.

## **BRUSHES**

5-25 assorted sizes (a large & a medium sized hard-bristle Round, a medium sized Filbert, a Liner, and a small Flat...add a Sash, fan, and other sizes that look good according to your budget.)

## **ACRYLIC PAINT**

Our recommendation is the fluid style Golden Brand in the squeeze bottles. (Heavy body is also a fine choice, it is simply thicker, as the name indicates, and is good for texture. Consider getting a tube of white to play with.) Recommendation for sizes: Titanium White & Quinacridone Gold get more (4 or 8 oz) and all others we suggest the 1 oz size to start as they are portable and refillable. You only need one shade of each color - but in some cases we have suggested more. Choose a variety based on your budget and the draw of what looks good to you. For example, feel free to pick Manganese Blue over ultramarine! Colors marked \* are very important.

quinacridone nickel azo gold\*  
transparent red iron oxide\*  
white titanium and bone black  
raw umber/burnt sienna  
cadmium red/quinacridone magenta/quinacridone crimson  
pyrrole orange/historical indian yellow hue/hansa yellow light  
ultramarine blue/permanent violet dark  
turquoise phthalo/cobalt turquoise  
green gold/phthalo green  
iridescent bright gold fine (or copper, silver, bronze)  
Liquitex "Gloss Medium & Varnish"

## **ADDITIONAL HOME STUDIO SUPPLIES**
